

Quality Policy

A forward leaning manufacturer and designer of Lighting components, Harvard Power Systems Limited is focused on delivering products with the highest level of safety and compliance.

Commitment and continuity in the management and continuous improvement of our Quality Management System is in accordance with ISO 9001, reinforcing processes to:

- Continuously improve our products and customer service
- Exceed customer expectations
- Be the supplier of choice
- Promote and support Innovation
- Guarantee product safety, performance & compliance to all relevant legislations
- Endeavor to attain zero faults and product defects

Harvard Power Systems Limited is wholly owned by Gallant Lighting inc. and is a part of the Gallant Lighting Group of companies. One hundred percent of the Harvard Power Systems products are manufactured by the company Electronic Controls and Discharge Systems, Private Limited (ECDS), part of the Gallant Lighting Group.

Every person within the Harvard Power Systems and Gallant Lighting Group businesses, is responsible for complying, monitoring and improving processes in order to reliably deliver these commitments.

Our company objective to be a trusted business partner is at the forefront of our quality policy.

Privacy Policy

Personal data relating to its business activity may include contact details of business representatives and business data. This data is used expressly for the purposes of conducting business related activities including marketing and research. The data is not used for profiling or making automated decision based on personal data stored.

The data is held on secure password protected systems stored within the EU and protected by methods of encryption. Paper records containing personal data are not stored by the business.

The data is subject to regular checks and updated where applicable.

The business does not hold or collect "Sensitive Data" in relation to its business activities.

The responsible person for Harvard Power Systems Limited GDPR policy and enforcement is Mr. Mark Needham.

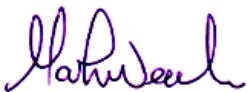

You have the right to access, correct or delete personal data by contacting the responsible person in writing by email. The company has 30 days to respond to such requests.
